

TRUTH IN TILE.

DENVER'S TOP TALENT GOES BEYOND TO DETERMINE THE BEST NEW PRODUCTS — WE'VE TURNED TO THE EXPERTS FOR TILE TIPS AND PRODUCT PICKS.

Renowned for his clean and timeless rooms that live well, Eric Mandil selects tile that is appropriate for each space, "It's a costly and inconvenient endeavor to change." Nationally acclaimed, Mandil, emphasizes the importance of the fundamentals of classic design. These design fundamentals allows his talented designers the ability to transcend any design period. Mandil is drawn to clean, timeless and flavorful products. Mandil knows that all projects are balanced by a style, timeline and budget. The economics of a project are balanced by "finding that jewel that adds a little caviar" to the finished project.

TILE TIP: Working with an exceptional showroom when it comes to tile, not only for selection, but also service and expertise, assures that projects come together seamlessly.

MANDIL'S PRODUCT PICK

The Tayla Collection
by Sara Baldwin

The Tayla pattern, below, uses advanced water jet technology to cut stone into precise shapes. The final product is a Moorish-inspired, show-stopping pattern.
"The Tayla Pattern is innovative and timeless."
